ABOUT THE SCHOOL OF INSURANCE STUDIES

The School of Insurance Studies (SIS), started in 2002, has already established itself as the premier institution maintaining the highest standards of education, research and professional skills in the field of Insurance. SIS provides quality learning experience and skill development opportunities to the students. We have a dynamic team of faculty members who are moving with the vision of producing world-class Insurance professionals.

Considering the tremendous growth potential in Life and Non-Life sectors and taking into account the low penetration and density of Insurance coverage compared to the developed economies, the next decade is expected to witness a phenomenal growth in the career opportunities for the insurance professionals. The programme is thus highly acceptable by the insurance industries and has an excellent placement record.

National Law University Jodhpur is a fully residential university spread over 50 acres and provides an ideal environment for contemplative learning and thinking. It is fully equipped with wireless Internet connectivity and latest teaching aids.

POST GRADUATE PROGRAMMES IN INSURANCE(MBA-INSURANCE)

The University offers Post Graduate Degree Programme in Insurance which is spread in four semesters (two years). The course content has been designed keeping in mind the needs and requirement of the insurance sector with subjects ranging from principles and practice of insurance, Risk Management, Underwriting, Reinsurance, Liability, Aviation Insurance Actuarial aspects of insurance, Legal aspects of insurance, insurance regulations etc. This is a full-time residential programme. The program also recognizes the particular needs of management in the insurance sector, and therefore the course is integrated with subjects such as management, finance, marketing etc to make it a comprehensive programme.
